

101 Bets You Will Always Win: The Science of the Seemingly Impossible

What would you do if someone bet you they could balance a coin on the edge of a banknote, walk through a postcard, or make you move your limbs through the power of suggestion? Would you take that bet? From Richard Wiseman, the creator of the 350-million-view YouTube phenomenon, Quirkology, comes a thrilling mix of lateral thinking, magic tricks and scintillating science stunts which is sure to appeal to curious minds everywhere. Using only your body and everyday household objects, 101 Bets You Will Always Win is both a practical guide and illuminating exploration of the fascinating science that underpins these seemingly impossible challenges.
