The Salads you'll find in *Salads: 25 Quick & Easy Delicious Salad Recipes You Can Make Your Meal* can provide you and your family delicious, nutrient packed meals. These salad recipes are quick & easy to prepare. I know it can be hard to prepare healthy, whole food meals with everyone's fast paced lifestyles. That's why I love these salad recipes. I can prepare them ahead of time and have dinner ready in only minutes. These salads are also great to bring with you to work for a healthier option to fast foods. Many of the top experts believe we should consume at least 9 servings of fresh fruits and vegetables every day for optimum health. Salad ingredients offer these great nutrient packed meals. Eating a salad a day is a great way to getting more of those recommended nutrients. Salad ingredients can contain such great nutrients like fiber, vitamins, minerals, phytochemicals and antioxidants to name a few. I don't think many fast foods or boxed meals can offer the same great benefits these tasty salad recipes can.
