

One Nation Under gods (Sword of Abbaddon Book 1)

From bestselling Inspirational Romance Author- Grace Walton. Book One in her new Swords of Abbaddon series- One Nation Under gods, a Dystopian Inspirational Romance. This is a novel of what ifs. What if, through the centuries, the Christian religion remained a small house church movement? What if it never became a mainstream faith? What if the Bible had never been gathered together from the many and disparate scrolls of wisdom existing to encourage and nourish those first few early Christians? What if one repentant, forgiven Nephilim/Half-Breed Angel family remained? One family so committed to Christ, they dedicated a man in every generation to serve God in a most horrifying and sacrificial way? What if? Half-Breed Angel Salem DAngelis has his life all planned. Hell run the familys vast Texas ranch. Hell marry a local girl. Hell start a family. Hell escape his familys celestial curse and live an ordinary quiet life. Then it appears - the supernatural summons marking him as the Sword of Abbaddon. Now without flinching, hell use his preternatural skills and gifts to be Gods Destroyer. Lily Meade comes from small-town Pagan royalty. Her grandfather is the High Priest of the Pantheon Church of beach side Providence Point, Texas. Her Nana is the churchs hereditary Oracle. Lily will inherit that position, if she completes her one-day service as a Temple Servant. But how can she be a prostitute, even a holy one, for 24 long hours? Their lives collide one hot summer night. Shes running away. Hes stoically facing his destiny. Salem knows his life is almost at an end. Lily thinks hers is just beginning. The only things standing between them and ultimate destruction are ten righteous people and one tattered scrap of Holy Script. Love is powerful and often used as a weapon. But can it or any puny human effort, ever truly stay the Sword of Abbaddon?
