

The Deception of Love 2

Nylah, Nick, Trey, Diamond, and Brielle are all back with even more drama than before. When someone new comes into Nylah's life, everything is turned upside down. Drunken nights turn into a maybe baby, and a celebration results in death. Who knew the return of one person can cause so much chaos. Can the gang find the snake that is hiding in the grass or will they fall for the illusion that has been created? Just remember everyone is not who they say they are and it's best to always keep the grass cut low.
