

# Fruit, Weight Loss Superfoods: Recipes to Help You Lose Weight Without Calorie Counting or Exercise (Vol 7)

Do you want to lose weight without ever counting calories, exercising or feeling hungry? Now you can with the help of the bestselling Weight Loss Superfoods series. Deborah Marks offers you a healthy way to shed pounds without a radical, calorie-restricted diet, or hours-long daily session in the gym. Eating a satisfying, naturally fat-burning diet has never been easier than with the recipes in her delicious cookbook series. Superfoods are whole foods with special properties to help you lose weight. They provide a powerful punch of nutrients and fiber in fewer calories than other types of food. Not only do you feel satisfied on fewer calories, but superfoods help you stay full longer. This helps you drop weight effortlessly without ever feeling hungry or needing to make endless trips to the gym. With superfoods, you actually eat to lose weight! In this volume of Weight Loss Superfoods, Deborah Marks focuses on the power fruit has to help you control your weight. Inside you'll find: 25 delicious and satisfying recipes to help you feel full and lose weight. Advice on how to properly store and prepare a variety of fruits to help maximize their fat-fighting nutrients. Ideas and suggestions for working these foods into all of your meals to increase your fat loss potential.
