

Glory (The Dust Chronicles Book 3)

Glory is a Deviant. That is what she was always taught, growing up in the domed city of Haven. She has the power to kill with her gaze, but she's learned to control this power and use it only against the monstrous Shredders, who survive on the asteroid dust that mutated their DNA. Now living in a settlement Outside, Glory has the chance to embrace her Gift and reunite her remaining family. But she can't hide from the threat of Shredder attacks or the knowledge of what Management is doing to the employees of Haven. Can she face losing everything she has left to bring freedom to Haven? Will she choose the familiar safety of Cal's love or risk Burn's dangerous passion? Ultimately, Glory must decide how far she is willing to go to keep her family safe, and what it really means to be a monster. This is the thrilling finale to The Dust Chronicles trilogy.
