

GOON SQUAD #4: Exterminating Angel

It starts quietly, with an incredible murder committed in broad daylight, but without a single witness. Soon the unseen killer progresses to a macabre mass killing, but why does the sole survivor blame the victims for their own deaths? Unpredictable and unstoppable, the killer strikes across the city, acting with impunity, always one step ahead of the pursuing GOON SQUAD. But even when they do find their quarry at the site of a new and awful massacre, what chance do they have against the terrible power of the Exterminating Angel? GOON SQUAD is a prose comic, an ongoing episodic story that unfolds in handy monthly issues. The story of the EXTERMINATING ANGEL begins in #3. Cover by Ian McQue.
