

## La Religiosa (Spanish Edition)

La Religiosa es una excelente obra de el autor de la Enciclopedia, expresionista e introspectiva. En la misma, Denis Diderot hace una critica rotunda de la coercitividad de las instituciones religiosas: el mundo cerrado de los conventos degenera en inutilidad social, resentimiento y promiscuidad, aspectos que convierten a los reclusos en delirantes misticos, mas allegados a la Tenebrosa e Infernal Locura que a la Clarividencia de la Luz Divina.
