

Love, Thais: Psychological thriller

A popular singer and actor, Timur Ozin didn't know that giving away roses to strangers during an international women's day would bring him his biggest admirer ever. If he knew, he probably would think twice. Thais is not a regular woman. She's thirty-eight but her mind is settled in much earlier years. Her family died in a car accident, but she adopted a new one. She's a hoarder and works in an apartment building as a cleaning lady. And she will do anything, anything at all, for a certain man in her life, for a man who said she was beautiful, Timur Ozin.
