

Agatha H. and the Clockwork Princess: A Girl Genius Novel

In a time when the Industrial Revolution has escalated into all-out warfare, mad science rules the world... with mixed success. With the help of Krosp, Emperor of All Cats, Agatha has escaped from the massive airship known as Castle Wulfenbach. After crashing their escape dirigible, Agatha and Krosp fall in with Master Paynes Circus of Adventure, a traveling troupe of performers dedicated to staging Heterodyne shows-dramatizations of the exploits of Bill and Barry Heterodyne and their allies-who are unaware of Agathas connection to the Heterodyne line. Pursued by the ruthless Baron Klaus Wulfenbach, his handsome son Gil, and their minions (not to mention Othar Tryggvassen, Gentleman Adventurer), Agatha hides in plain sight among the circus folk, servicing their clanks and proving herself adept in performing the role of Lucrezia Mongfish, nemesis to-and later wife of-Bill Heterodyne. She also begins training under Zeetha, swordmistress and princess of the lost city of Skifander. Together, Agatha, Krosp, and the performers travel across the treacherous wasteland of war-torn Europa, towards Mechanicsburg, and the ancestral home of the Heterodynes-Castle Heterodyne. But with many perils standing in her way-including Wulfenbachs crack troops, mysterious Geisterdamen, savage Jagermonsters, and the fabled Storm King-its going to take more than a spark of Mad Science for Agatha to get through. From Phil and Kaja Foglio, creators of the multiple WCCA and Hugo Award-winning webcomic Girl Genius, comes Agatha H and the Clockwork Princess, a gaslamp fantasy filled to bursting with Adventure! Romance! And Mad Science! Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion,

near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.
