

## Envy The Root Of All Evil Part 2

The girls that you grew to love & hate are back and grimmer than ever In this sequel, you will experience a great amount of drama and betrayal as envy tears friendships, families, and relationships apart. Nae Nae When it comes down to her getting what she wants, she will go for it by any means, even if she has to send a few people to heavens gates. Although trying to eliminate Precious was unsuccessful she was still able to turn Shaniya against her, and together they possessed envy towards Precious. Nae Nae is determined to be crowned queen and will do anything it takes to take the throne that her ex best friend is occupying. Precious On the other hand, is living her life to the fullest. She is making so much money in the drug game that Nae Nae and her envious ways are the last thing on her mind. Precious took over Harrisburg by storm and doesnt plan on getting up from the throne anytime soon. With a great man and a team of go gettas by her side, what more can Precious ask for as she lives her life as a hustle hard, self-made, self paid queen? All good things dont last forever. Will Nae Naes envious ways get the best of her? Will Precious finally get knocked off her throne? In the end, who will be crowned queen & take their place on the throne?
