Others believe their dark powers spun the fabric of time itself. They are mystery. But here is truth: After ages of formless existence, the Arbitrators craved physicality once more. In their search for a worthy body to inhabit, they destroyed the world Ajyin home of the gentle, blue-fleshed Numah and the combative, carapaced Olokun. But not all was lost. General Vega and his vile Olokun warriors enslaved the remaining Numah. They relocated to Neos, Ajyins thriving moon.
