

Edinburgh (Annotated): Picturesque Notes

*This Book is annotated (it contains a detailed biography of the author). *An active Table of Contents has been added by the publisher for a better customer experience. *This book has been checked and corrected for spelling errors. First published in 1879, Edinburgh: Picturesque Notes is among the most vivid of Robert Louis Stevensons writings. His passion for Auld Reekie never clouded his wry wit, and his enthusiasm for the picturesque detail and the savory anecdote will delight readers today as much as they scandalized his contemporaries. Perhaps best known as the author of Treasure Island and other childrens literature, Robert Louis Stevenson was a prolific novelist, playwright, essayist, and travel writer.
