

## The Soloist

Before she joined the Indestructibles, Kate Miller haunted the streets of her hometown, a hero trying to drive away the ghosts of her own losses and failures. Masked and alone against the dark elements of her city, Kate became known as the Dancer, the ballerina vigilante, fighting street-level crime and trying to make the world a better place, one fight at a time. But when an early mistake leads her back to her roots, will Kate have the strength to fight on? And how will it help her become the hero she someday becomes as part of the Indestructibles? The Soloist is a story told in the one-shot style of old comics, a self-contained adventure from the Dancers early days. Find out how one night almost ended her career as a vigilante before it even began, and learn more about what drives the Dancer to keep fighting ...
