

Shadow of History: Season Two - Episode 3 (Steampunk OZ) (Volume 7)

From the bestselling author of S.D. Stuart's Minecraft Adventures comes an exciting action-adventure series set in the land of OZ. This is THE must-read action-adventure series for all YA readers! Even though it is set over a hundred years in the past, this could very well be the next great dystopian YA series. I never imagined OZ could be like this! In this action-packed second season of Steampunk OZ, American author S.D. Stuart returns to the Australis Penal Colony, where an ancient, and devastating, weapon was hidden a millennium ago. Season Two Episode 3 Caleb is ready to begin his perilous journey across OZ to restore Dorothy's memories. But the OZ he is returning to is not the same one he left.
